A NOTE FROM OUR ARTISTIC DIRECTORS

Welcome to our 21st Annual Stage Production, Game Night. We are immensely excited to see this show come together as it is our first full-length production as Artistic Directors! We are honoured to be able to continue Flare's performance legacy, to share our passion for dance, and to welcome new and former dancers to the stage.

We are incredibly grateful for the steady commitment and passionate determination of Flare's dancers, choreographers, and committee members, who have worked tirelessly to bring this show to life. As much as we hold the title of directors, Flare is truly a team effort and we cannot fully express the extent of our gratitude to everyone who has helped make this happen. This extends to all the past Flarians who continue to support our vision despite any distance or time that might have passed. Thank you!

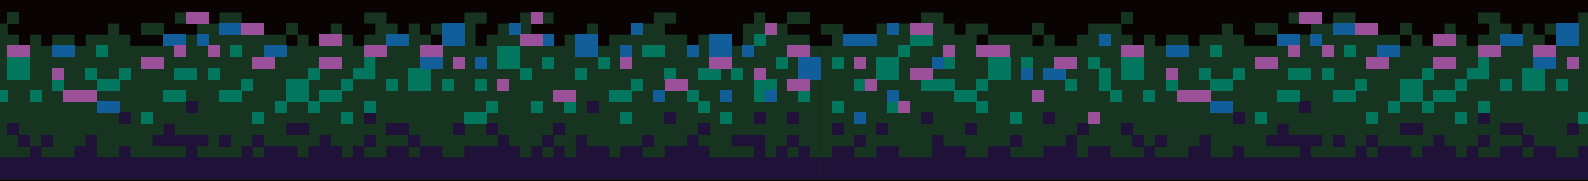

2024 has been a successful year for Flare despite a large departure of veteran members. As much as they have been missed, our new members have not faltered at the challenge of stepping up to the mark. This year exhibits nine first-production choreographers, following the trend of our Mid-Year Showcase, which had ten absolute first-time choreographers and our Cocktail Night welcomed three completely new Flarians to be choreographers before the academic year even began! These three shows were supplemented by casual classes, gigs, and social events that made this year as jam-packed as ever.

Despite the occasional chaos and intensity of trying to get it all done, we hope that our members have ultimately had fun. Our aim as new Artistic Directors was to create a welcoming, inclusive, friendly environment for members to make friends, challenge themselves creatively, and most importantly to enjoy dancing their hearts out. We want to provide a space for dancers and choreographers of all levels to be unafraid of taking risks and trying something outside of their comfort zones. We hope our first year has been a success in the eyes of our members, and we look forward to what next year will bring!

With all that being said, a final thank you to you, our audience! For our loyal supporters, we hope this year's production brings new stories, talent, and creativity. And for our new audience members, welcome to the magic of Flare! We hope you enjoy the show.

Let the games begin!!

A NOTE FROM OUR PRESIDENT

Welcome to our 21st Annual Production, Game Night!

This has been an amazing year of development and rediscovery for myself and for Flare. Although this is only my second year being a part of this invaluable university club, the shift between last year and this year has been extremely evident. As our members grow and develop, this community also grows. Even though we miss seeing some of our past members, we continue to flourish with bright new faces and youthful energy.

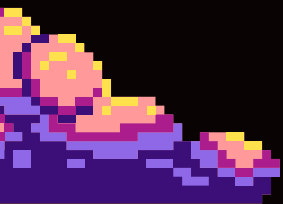

I am not gonna lie, it has been really tough at certain points of the year. But looking back, I can say that I have never been so inspired seeing what everyone has been able to accomplish together. Their passion, creativity, commitment, and kindness has left a lasting impression on me that I will hold on to for the rest of my life.

I would like to thank my committee, for without them none of this would be possible. I am extremely proud of you and all of the service that you have done for this club and this community.

To the dancers and choreographers, you should all be extremely proud. What you have accomplished together in these few months is truly a wonder to behold. Thank you for sharing your gifts with us.

And finally, to you, the audience. I would like to say on behalf of everyone involved in the production of this show, we are truly grateful for all of your support. You coming here to enjoy this production enables us to do what we love, and there is nothing more valuable than these moments we have together.

With that: prepare to scream, cry and laugh with our extremely talented cast, for the fun of this Game Night is about to begin!
